**Council Should Consider**

Adoption of Resolution 2018-018 Approving Plans and Specifications and Ordering Advertisement for Bids for the 2018 Pavement Management Program

**Background/Discussion**

The project includes reconstruction of Indian Oaks Court, Indian Oaks Trail, Floral Drive, Norma Circle, Gale Circle and James Circle as well as reclamation of Brueberry Lane, Parkshore Drive, and Wedgewood Circle. The public hearing was held on September 25, 2017.

The preparation of plans and specifications for each project was authorized by Resolution 2017-035 which was adopted after the public hearing. The plans are now complete and ready for bidding. Adoption of the resolution listed above will authorize the next step for the project: approval of the plans and specifications and ordering the advertisement for bids. Bids will be received on March 29, 2018. Following the bid opening the results will be presented to the Council on April 9, 2018, with the appropriate resolutions to proceed to an assessment hearing for each project before awarding the construction contract.

This schedule should allow contract award in early May with construction starting by the end of May. Staff recommends adoption of Resolution 2018-018.
