Council Should Consider

The Council should consider approving Resolution 2020-2018, setting the Arden Hills Water Main (Lexington Avenue) project and MVHS Trail Segments project as their number one and two priorities, respectively, for State bonding consideration.

Background

Due to the COVID-19, or Coronavirus, Pandemic, the normal process for the State Legislature to hear bonding proposals is not feasible. In order for proper consideration, the attached resolution will convey the City’s prioritization of its bonding requests. The timeframe to complete this resolution did not allow for the normal meeting notice to be given, and the Council needs to urgently consider this resolution.

The resolution will rank the City’s bonding requests with the Arden Hills Watermain project as its number one priority, and the Mounds View High School Trail Segment project as its number two priority.
