Council Should Consider

- Adopting a Proclamation recognizing May 21-27, 2023 as National Public Works Week in Arden Hills.

Background/Discussion

National Public Works Week is a celebration of thousands of men and women in North America who provide and maintain the infrastructure and services collectively known as public works. Instituted as a public education campaign by the American Public Works Association in 1960, the weeklong celebration calls attention to the importance of public works.

This year’s theme is “Connecting the World Through Public Works” for the National Public Works Week poster. This year’s poster illustrates how public works connects us all through infrastructure and service, enhancing the quality of life for the communities these professionals serve.

Our Public Works employees take great pride in their work. The week of May 21-27, 2023 honors these professionals who serve the public good every day with quiet dedication.

Budget Impact

None
