**Council Should Consider**

Council should consider Nuisance Sign Management Policy related to prohibited signs within City, County, and State Right-of-Way.

**Background/Discussion**

At the May 15, 2023 Work Session, City Council discussed nuisance signs that are located within the City, County and State Right-of-Way (ROW). Specifically signs that often appear along roadways for commercial purposes (i.e. We Buy Ugly Houses or Moving Services).

Per Council direction, a Policy related to management of these nuisance signs was created and can be reviewed in Attachment A.
