

Municipal Letter of Promulgation

The City of Arden Hills, City Council formally adopted the 2023 update to the Comprehensive Emergency Operations Plan (CEOP) on June 26th 2023 via Resolution 2023-036.

The CEOP details all comprehensive emergency management efforts. It is designed to comply with all applicable federal and state regulations and to provide the policies and procedures to be followed in dealing with any emergency and/or disaster. The CEOP identifies the hazards that could affect the county, sets forth the responsibilities of local government departments and agencies, and outlines a means for local and state resources to be used to support impacted populations. The planning authorities and responsibilities conveyed to individual local government departments and agencies are recognized and acknowledged. This plan supersedes all other municipal CEOPs.

Pursuant to Minnesota Statute Chapter 12, this plan will be reviewed annually and updated as necessary.

As Emergency Manager, I certify that I have reviewed this document for compliance with state and federal requirements. I hereby recommend that the City Administrator and Mayor promulgate the updated 2023 CEOP.

Matt Sather
LJFD Deputy Fire Chief

Date

The undersigned have reviewed, approve, and promulgate the 2023 CEOP as required by MN Statute 12. All local departments and agencies under Arden Hills jurisdiction shall abide by and cooperate fully with the provisions described or referenced herein.

Dave Perrault
City Administrator
