**TO:** Parks, Trails and Recreation Committee  
**FROM:** Kerri Seemann  
**SUBJECT:** Native Plants

---

**Background**

While discussing plants with a volunteer, the idea of replacing the invasive cattails at the NE corner of Valentine Hills came up, potentially as a project for 2024.

I'd like to know:

- if anyone is currently opposed to that idea,
- if anyone would be interested in working with me to create a formal proposal, and
- if anyone would be available next year to work on planting and weeding, if the proposal is ultimately passed
