To Whom It May Concern,

I had the opportunity to attend a meeting last month to get an update on Arden Hills Planning and Development. During that meeting I was able to meet several members of the Economic Development Committee and they explained some of the goals they were working toward.

It is exciting for me to learn and understand how a city grows and develops. I would like to be a part of making our city a welcoming place for both businesses and home owners.

I am sure that there are many parts to the process that I do not have knowledge of at this point but I would love to learn each part and figure out how I can help move our city in a successful direction and of course have some fun along the way!

Sincerely yours,

Liz Johnson

If you wish to be considered for more than one committee, please order in number of preference.

1st Choice*

Economic Development Commis:

2nd Choice*

Planning Commission

3rd Choice*

Parks, Trails, & Recreation Comr

As the Council prioritizes its goals, it may create additional/new committees or task forces from time to time. If you have other specific areas or topics of interest please indicate those interests and we will retain your application for future openings in those areas as new committees are created.

Other Interests*

I am interested in what makes our city so wonderful to live and work in! I am always looking for ways to help people see the value in Arden Hills.

List any Civic, Professional, and Community Activity involvement.

Arden Hills No 3 Association - Treasurer
Women's Council of Realtors - VP Membership
Valentine Hills Snack Pack - Help organize and raise funds for the program
Hope Community Church - Governance Team
Hope Academy (Phillips Neighborhood in Mpls) - High School Mentor

Why do you want to be on a committee?*

I would like to be on a team that is helping this city grow and develop, to attract a variety of businesses that would not only provide a good tax base for our city but also serve the Arden Hills residents well. I would like to come up with solutions on how to honor the businesses that have been with us for a long time as well as welcome new business into the area. I am looking forward to learning how a city evolves and changes throughout economic highs and lows.

What skills, strengths, or abilities do you believe you will add to the committee?*

I am an active member of the community as a resident with a child in the school system at Valentine Hills and also as a business owner (Liz Johnson Real Estate LLC). I help people buy and sell homes in the area. This gives me a good idea of what people are looking for as they buy a home for the first time in our community or as they want to age in place in our community in their single family home/condo/TH or in a senior living facility. I would be honored to be a part of helping to make this city even more attractive to our businesses and residents.
