

**CITY OF ARDEN HILLS
COUNTY OF RAMSEY
STATE OF MINNESOTA**

RESOLUTION NO. 2020-0010

Resolution Establishing a School Zone Speed Limit on Lake Valentine Road

WHEREAS, the City of Arden Hills and Mounds View School District 621 conducted an engineering investigation and hazard evaluation for Lake Valentine Road pursuant to Minnesota Statutes 169.14 Subdivision 5a; and

WHEREAS, the engineering investigation identifies approximately 310 pedestrians in the morning peak hour and approximately 270 pedestrians in the afternoon peak hour crossing Lake Valentine Road within the school site; and

WHEREAS, the engineering investigation recommends that the posted speed limit be reduced from 35 miles per hour to 25 miles per hour during school peak hours when children are present at Mounds View High School; and

WHEREAS, the Mounds View School District staff has reviewed the engineering investigation and supports the recommended school zone speed limit.

THEREFORE, BE IT RESOLVED, The Arden Hills City Council authorizes the City Engineer to establish and place signage creating a school zone speed limit of 25 miles per hour on Lake Valentine Road from 110 feet west of Janet Court to 230 feet west of the west entrance to the school site in accordance with the Minnesota Manual on Uniform Traffic Control Devices effective during a one hour period spanning the school start time and a one hour period spanning the school release time for Mounds View High School.

Adopted this 10th day of February 2020.

David Grant, Mayor

ATTEST:

Julie Hanson, City Clerk
