Personal Information

List any Civic, Professional, and Community Activity involvement.

I am an employee at a government entity outside of Ramsey County and Arden Hills, please see resume.

Why do you want to be on a committee?

There are two members currently on this committee. That is not enough community involvement for it to be able to provide reliable support for city financial matters. As a citizen of Arden Hills, I want our city to have the resources it needs to be successful.

What skills, strengths, or abilities do you believe you will add to the committee?

I have experience with budgets and financial reports and awareness of impacts to short-term and long-term goals. I have experience working within legal parameters and with organizational risk assessments in the government sector. I am able to collaborate with a wide range of stakeholders, including members of the public, elected officials, staff, and unions.

List any additional comments:

I would not be a good candidate for this committee if it regularly meets on Wednesday nights. My understanding is it generally meets on Tuesdays.
