RE: Park Bench donation: via Arden Hills Foundation

Dear Mr. Reichert:

On behalf of Arden Hills Park, Trails & Recreation Committee (PTRC) we would like to thank you for your generous donation of funds to purchase a bench and donor plaque for a location in Crepeau Nature Preserve. The spot has been identified and is being cleared of buckthorn to provide a nice view of the Preserve and the pond.

The committee has long felt the need for additional benches to allow all residents more opportunities to enjoy the wonderful parks, preserves and open spaces in Arden Hills.

We will notify you when the bench with plaque is to be installed in Crepeau Nature Preserve. At that time, we would ask for your presence- so we can say thank you in person!

A notice will be published in the city of Arden Hills official bulletin to recognize you and your generous gift. We appreciate all your support for our community! Thank you.
