**Background**

At the January 25 City Council meeting, the Council accepted a donation from the Arden Hills Foundation for four new park benches. City staff identified four potential locations for new benches, Attachment A, and presented them to the City Council. The following locations are shown on the map.

1. Cummings Park north of athletic fields
2. Public trail northeast of Colleen Avenue
3. Perry Park near the dog park and playgrounds
4. Hazelnut Park along trail system

Recently, the City received another donation from the Arden Hills Foundation for a park bench. The fifth park bench will be placed in the Crepeau Nature Preserve.
