Council Should Consider

Adopting a Proclamation recognizing May 16-22, 2021 as National Public Works Week in Arden Hills.

Background/Discussion

National Public Works Week is a celebration of thousands of men and women in North America who provide and maintain the infrastructure and services collectively known as public works. Instituted as a public education campaign by the American Public Works Association in 1960, the weeklong celebration calls attention to the importance of public works.

This year’s theme is “Stronger Together”, and it challenges people to think about the role public works plays in creating a great place to live and that by working together, the impact citizens and public works professionals can have on their communities is magnified and results in the ability to accomplish goals once thought unattainable.

Our Public Works employees take great pride in their work. The week of May 16-22, 2021 honors these professionals who serve the public good every day with quiet dedication.
