Re: Bid Results
Lift Station 10 Rehabilitation
Arden Hills, Minnesota
BMI Project No. M20.121694

Dear Mr. Swearingen:

Five (5) bids were submitted for the Lift Station 10 Rehabilitation project on June 3, 2021. The bids ranged from \$130,700.00 to \$249,500.00. The City is directly procuring the pumps and controls so those costs should be added to the bid costs to get the total construction costs. The Engineer's Estimate for this project was \$290,000.00 and this amount includes the pumps and controls. The low bid price is from Vinco, Inc.

The following is a bid summary:

| <u>Contractor</u> | <u>Total Base Bid</u> |
|-----------------------|-----------------------|
| Vinco | \$130,700.00 |
| Pember Companies | \$134,750.00 |
| Minger Construction | \$145,000.00 |
| CCS Contracting, Inc | \$148,400.00 |
| Penn Contracting, Inc | \$249,500.00 |

Based on the summary above, if the City Council wishes to award the Project to the lowest bidder, then Vinco, Inc., should be awarded the Project on the Total Base Bid Amount of **\$130,700.00.**

Sincerely,

Bolton & Menk, Inc.

Seth A. Peterson, P.E. (MN, WI)
Principal Environmental Engineer
