Council Should Consider

Motion to approve, table or deny the following:

- Resolution 2021-035 certifying delinquent utilities to Ramsey County

All items need a simple majority for action unless otherwise noted.

Background

Delinquent utility amounts are certified to Ramsey County quarterly. A list of utility accounts with a delinquent balance was compiled and notices dated May 7, 2021 were mailed. These customers were informed of their delinquent status and were asked to make payment of the delinquent balance by June 4, 2021. Utility accounts with an unpaid delinquent balance would be certified to Ramsey County to be added to property taxes payable in 2022. The certification amount is equal to the unpaid delinquent balance plus an eight percent penalty.

The list of remaining delinquent utility accounts is attached. The City will request that Ramsey County levy the delinquent balances against the respective properties.
