Section 410 - Licenses

410.01 License Required.

The following animal licenses shall be required within the City of Arden Hills.

Subd. 1 Dog/Cat Licenses. All dogs and cats within the City of Arden Hills, except as hereinafter provided, shall be licensed.

A. Application. Within thirty (30) days after acquiring possession of a dog or cat which has not been licensed by the City of Arden Hills, the owner of the dog or cat shall make application for a dog or cat license. The application shall be on forms provided by the City of Arden Hills.

B. Vaccination. It shall be unlawful for any dog or cat owner to keep or maintain any dog or cat older than six (6) months of age unless it shall have been vaccinated with an anti-rabies vaccine certified to be effective by a licensed veterinarian. No license renewal shall be issued except upon compliance with this section.

C. License Fee. The license fee for each dog or cat must be submitted with the application. The fee will be established by City Council Resolution.

D. Duration of License. A license shall be issued for a period of time not to exceed the expiration date of the rabies vaccination. No dog or cat license shall be renewed without proof of vaccination.

E. Issuance of License. Upon completion of the application form, receipt of the license fee and receipt of the proof of vaccination, the City Administrator shall cause a dog or cat license to be issued to the applicant for a particular dog or cat.

F. Receipt and Tags. The City of Arden Hills shall issue a license fee receipt to the applicant along with a metallic dog or cat license tag. The applicant shall permanently affix the tag by a metal fastening device to the collar of the licensed animal in a manner that allows the tag to be easily observed. If a tag is lost, a duplicate may be issued by the City of Arden Hills upon presentation of a receipt showing payment of the initial license fee and upon payment of an additional fee for each duplicate tag.

G. Change of Address. An applicant who has obtained a dog or cat license shall notify the City of the applicant's address changes within the corporate limits of the City within ten (10) days of any address change.

H. Counterfeit Tags. No person shall counterfeit or attempt to counterfeit dog or cat license tags.

I. Transfer of Tags. No person shall transfer a dog or cat tag from one dog or cat to another.

J. Exceptions. The following dogs and cats are not required to be licensed:

1. Dogs and cats less than six (6) months of age.
2. Dogs and cats whose owners are temporary visitors within the City for thirty (30) days or less.
3. Dogs and cats which are brought into the City for appearance in an animal show.
4. Dogs being used by law enforcement officers

Subd. 2 Wild Animal Licenses.

A. General Prohibition. All wild animals except the following are prohibited within the City of Arden Hills:

1. Wild animals brought into the City for entertainment, exhibition or show purposes by persons keeping wild animals for a public zoo.
2. Wild animals which are part of a permanent display sponsored by a bona fide research institution, a veterinary hospital, public zoo or other institution.
3. Nonpoisonous snakes, birds kept indoors, hamsters, mice, rabbits, gerbils, white rats, guinea pigs, chinchillas, or lizards and similar small animals capable of being kept in cages continuously.
4. Monkeys trained as personal helpers and kept by handicapped persons.
5. Raptors owned by licensed Falconers holding valid state and federal Falconry permits so long as the conditions of such permits are being satisfied.
6. Wild animals and birds that are part of the natural habitat and environment.

B. License Application. Applications for a Wild Animal License shall be submitted on forms provided by the City along with a Certificate of Insurance which indicates that applicant has \$200,000 of liability coverage on the Wild Animal and which includes an endorsement indicating that the liability coverage will not be cancelled without twenty (20) days written notice to the City of Arden Hills.

C. Investigation. The Animal Control Officer shall review the application, conduct such investigation as the Animal Control Officer deems necessary, and shall prepare a written recommendation regarding the issuance of a Wild Animal License. The City Administrator shall within ten (10) days mail a notice to all property owners within 350 feet of the site on which the Wild Animal will be kept. The notice shall indicate that the City has received an application for a Wild Animal License and shall request comments from such property owners.

D. Review. The City Council shall review the application, the Animal Control Officer's recommendations, and the comments from property owners. The City Council may issue a Wild Animal License if it determines that the application is in compliance with the City's regulations. The City Council may attach any reasonable conditions to the issuance of a license as it determines to be necessary in order to protect the health, safety, and welfare of Arden Hills residents.

E. Existing Wild Animals. Anyone keeping a Wild Animal in Arden Hills at the time of the adoption of this regulation shall have ninety (90) days in which to comply with the provisions of this regulation or otherwise remove the Wild Animal from the City. Extensions beyond ninety (90) days may be granted by the City Council for good cause but in no case shall such extension permanently exempt a person from the requirements of this regulation.

F. Wild Animal Restrictions.

1. Confinement. No person owning or harboring or having the care or custody of a wild animal shall suffer or permit such animal to go unconfined on the premises of such person. A wild animal is "unconfined" as the term is used in this section if such animal is not securely confined indoors or confined in a secure enclosure suitably sized for the wild animal is confined therein. An "enclosure" is secure within the meaning of this section if it is constructed of heavy gauge mesh steel, or other suitable material; consists of a top and

sides, with the bottom of such sides fastened along their perimeter to a slab floor of concrete or other suitable material; where no slab floor is provided, the sides must be embedded into the ground no less than one foot; all access points of the enclosure must be locked when the animal is confined therein. The Animal control officer may seize a wild animal that has been declared dangerous that is unconfined.

2. Muzzling. No person owning or harboring, or having the care of a wild animal shall suffer or permit such animal to go beyond the premises of such person unless such animal is securely muzzled and restrained with a chain not exceeding three (3) feet in length, and having a tensile strength sufficient to restrain the animal. Wild animals which are actively participating in recognized local, regional or national trials, training or other such sponsored competition, need not to be muzzled while being transported to or from during such competitions.

3. Summary Destruction. Any person harboring or owning a wild animal that is found to be in violation of the City's Animal Control Regulations may be summarily destroyed.

Subd. 3 Chickens License. All chickens within the City of Arden Hills, except as hereinafter provided, shall be licensed.

A. Application. Within thirty (30) days after acquiring possession of a chicken which has not been licensed by the City of Arden Hills, the owner of the chicken(s) shall make application for a chickens license. The application shall be on forms provided by the City of Arden Hills. If the Applicant is a renter, the Property Owner signature shall be required on the license application form.

B. Neighbor Consent. The Applicant shall be responsible for providing notification to the neighbors immediately adjacent to the property of their intent to keep chickens. This notification will be distributed in the format provided by the City. Neighbor written responses will be returned to the City. Neighbor consent from all of the immediately adjacent properties is required for issuance of the license. The failure of a neighboring Property Owner to respond does not constitute consent.

C. License Fee. The license fee for each chicken must be submitted with the application. The fee will be established by City Council Resolution.

D. Duration of License. A biannual license shall be issued.

E. Issuance of License. Upon completion of the application form and receipt of the license fee, the City Administrator shall cause a chicken license to be issued to the applicant subject to:

- (1) Leg banding of all chickens is required. The bands must identify the owner and the owner's address and telephone number.
- (2) Dead chickens must be disposed of according to the Minnesota Board of Animal Health rules which require chicken carcasses to be disposed of as soon as possible after death, usually within forty-eight (48) to seventy-two (72) hours. Legal forms of chicken carcass disposal include burial, off-site incineration or rendering, or composting.
- (3) Prior to issuance of a license, the prospective annual license holder certifies as part of the application review that they have read "Recommendations for Municipal Regulations for Urban Chickens".

F. The following are prohibited within the City of Arden Hills for chickens:

1. Roosters are prohibited.
2. No breeding of chickens is allowed.
3. Slaughtering of chickens on the property is prohibited.

Subd. 2 Refuse.

A. Containment. In all districts, any waste materials, debris, refuse or garbage shall be stored and kept in accordance with the requirements of Section 660.05 of the City Municipal Code, as the same may be amended from time to time.

B. Noxious Weeds and Objectionable Plant Growth. Land shall be kept free of noxious weeds and unsightly or objectionable plant growth of eight (8) inches or more in height.

C. Home Interiors. Home interiors shall be kept in a clean and sanitary condition free of any accumulation of rubbish and garbage in compliance with State Health Regulations.

D. Compliance Deadline. Existing uses shall comply with these provisions within thirty (30) days following the effective date of this Code.

Subd. 3 Exterior Storage.

A. Residential Districts.

1. Materials and Equipment. All materials and equipment shall be stored within a building or be fully screened so as not to be visible from adjoining lots, except for the following: Laundry drying and recreational equipment, construction and landscaping materials currently (within a period of twelve (12) months) being used on the premises; agricultural materials and equipment if these are used or intended for use on the premises; off-street parking of passenger cars and pickup trucks.

2. Boats, Trailers and Utility Vehicles. Exterior storage of boats, trailers and utility vehicles is not permitted in any residential district, except as regulated in Section 1325.12.

B. Business and Industrial Districts.

1. Screening. All exterior storage in the business and industrial districts shall be screened from public view, except materials and equipment currently being used for on-site construction.

2. Parking. Vehicles, including but not limited to cars, trucks, buses and RV's parked and/or stored in public view for more than a period of seven (7) days shall be prohibited unless allowed by the permitted business or industrial use, except as regulated in Section 1325.12.

Subd. 4 Electrical and Radiation Emissions. No activities shall be permitted that emit dangerous radioactivity beyond an enclosed area. There shall be no electrical disturbance

adversely affecting the operation at any point of any equipment other than that of the creator of such disturbances.

Subd. 5 Environmental Pollution. Emission or creation of noise, odors, vibrations, glare, dust, smoke, heat and toxic or noxious fumes shall conform to such standards as are from time to time established by the Minnesota Pollution Control Agency. None of these shall be at a level that is objectionable to surrounding properties.

Subd. 6 Animals.

A. Location for Buildings Housing Farm Animals. Any building in which farm animals are kept shall be located a distance of two hundred (200) feet or more from any lot line. Any open structure in which farm animals are kept shall be a distance of four hundred (400) feet or more from any lot line., **except for chicken coops in the R-1, R-2, and R-3 Districts provided the following requirements are met:**

1. **No more than three (3) hens shall be housed or kept on any one (1) residential lot with the issuance of a City license.**
 2. **A separate coop is required to house the chickens. Coops must be constructed and maintained to meet the following minimum standards:**
 - a. **A coop with a minimum of 12 square feet and no larger than 25 square feet is permitted as an accessory structure subject to Section 1325.01. Subd. 4 A. for Size.**
 - b. **Exemption to Ordinance - A residential property with a single car detached garage and an accessory structure/shed will be allowed a third accessory structure for keeping chickens. The combined square footage of all three detached structures may not exceed 728 square feet.**
 - c. **Located in the rear yard. Chicken Coop, pen, and exercise yard are not permitted in the front or side yard.**
