For Council Consideration

Council may provide further direction on the format of the Public Inquiry portion of the Council’s regular meeting agenda.

Background

This topic was discussed at the August work session, Council decided to pause on further discussion until Councilmember Holden could be present and the City Attorney had a chance to weigh in. Councilmember Holden should be present for this meeting, and the City Administrator did speak with the City Attorney and will give a verbal update on his opinion. The previous memo is attached for reference, as well as, the minutes from that meeting that recap the discussion.
