Council Should Consider

Motions to approve, table, or deny the following:

- Approval of cancellation of January 24 and February 28, 2022 regular City Council meetings.

All items need a simple majority for action unless otherwise noted.

Background/Discussion

From time to time, the City Council has cancelled a meeting if there are no items requiring timely action by the Council.

Council may consider cancelling the January 24 and February 28, 2022 regular meetings as all necessary items that require action and/or discussion have been or are being addressed either at the regular meetings on January 10 and February 14, 2022, or at the January 18 and February 22 work sessions. Items requiring new or further action have been placed on the agenda for the first regular meeting in February 2022.
