Motions to approve, table, or deny the following:

- Approval of cancellation of the March 28, 2022 regular City Council meeting.

*All items need a simple majority for action unless otherwise noted.*

**Background/Discussion**

From time to time, the City Council has cancelled a meeting if there are no items requiring timely action by the Council.

Council may consider cancelling the March 28, 2022 regular meeting as all necessary items that require action and/or discussion have been or are being addressed either at the regular meeting on March 14 or at the March 21 work session. Items requiring new or further action have been placed on the agenda for the first regular meeting in April 2022.
