Council Should Consider

Motions to approve, table, or deny the following:

- Updated Emerald Ash Borer (EAB) Management Plan.

All items need a simple majority for action unless otherwise noted.

Background/Discussion

Refer to Attachment A, Emerald Ash Borer Management Plan, for the background and history of EAB. On August 16, 2021 at the Council Work Session, staff brought this topic up for discussion to review the City’s current adopted Emerald Ash Borer Management Plan (2012) and receive feedback from Council if revisions to the plan were desired to better correlate with actions the City is taking on ash trees. At the March 21, 2022 Work Session, Council discussed the revisions to the EAB Management Plan. Staff recommends approving the updated EAB Management Plan, dated April 11, 2022.
