Council Should Consider

Motions to approve, table, or deny the following:

- Agreement for Professional Services with Rainbow Tree Care to treat existing ash trees on City and private property.

All items need a simple majority for action unless otherwise noted.

Background/Discussion

On March 21, 2022 at the Council Work Session, City Council discussed contracting with Rainbow Tree Care (RTC). The contract sets the cost rate per inch for the City to treat existing Ash trees and also provides Arden Hills residents a discounted rate from RTC’s standard fee to treat their Ash trees if interested. RTC is offering \$6.70 per inch for residents and \$5 per inch for the City in 2022, correlating tables can be seen in Attachments B & C. Attachment A is a copy of their professional services agreement.
