Background

The annual Scoops for Troops event is returning to our area the last Sunday in May at the National Guard Readiness Center on Hamline Ave. It is a benefit to recognize and honor our area Gold Star families. All funds raised go to Tribute to the Troops Fallen Heroes Children's Education Fund.

This is not a City of Arden Hills event, but it is a fantastic event and great opportunity to see portions of the Arden Hills Army Training Site (AHATS) not normally available to the public. There is a 5k run and 3k walk on trails around Sunfish Lake. Also, if you register by May 10, you are guaranteed a t-shirt.

It would be great for PTRC members to attend this event. If you aren't up for a walk or run, you can still take part in the ice cream social.
