**Council Should Consider**

- Adopting a Proclamation recognizing May 15-21, 2022 as National Public Works Week in Arden Hills.

**Background/Discussion**

National Public Works Week is a celebration of thousands of men and women in North America who provide and maintain the infrastructure and services collectively known as public works. Instituted as a public education campaign by the American Public Works Association in 1960, the weeklong celebration calls attention to the importance of public works.

This year’s theme is “Ready & Resilient”, and it showcases the superheroes that lie within each and every Public Works professional ~ always READY to serve their community and RESILIENT as ever in their abilities to pick themselves up off the ground after encountering challenges.

Our Public Works employees take great pride in their work. The week of May 15-21, 2022 honors these professionals who serve the public good every day with quiet dedication.
