DATE: June 20, 2022

TO: Honorable Mayor and City Councilmembers
Dave Perrault, City Administrator

FROM: David Swearingen, P.E. Public Works Director / City Engineer

SUBJECT: Spring Lake Park Lions Club Donation Discussion

Budgeted Amount:	Actual Amount:	Funding Source:
N/A	\$10,000.00	Spring Lake Park Lions Club

For Council Consideration

Council should discuss how they would like to use the funds donated by the Spring Lake Park Lions Club.

Background

The Spring Lake Park Lions Club contacted City Staff in January about donating funds to be used for Parks and Recreation. On March 14, 2022, through Resolution 2022-010, the City Council accepted the donation in the amount of \$10,000. On March 21, 2022, this item was brought to Council at the Work Session for initial discussion of how to use the donation. The Spring Lake Park Lions Club aims to help those in need within the community through various fundraising activities. They are active in the Arden Hills’ community and wanted to see these funds used to help the Parks and Recreation department.

With direction from the last Work Session discussion, staff focused on finding options for shade-bench structures to install at Perry Dog Park. Attachment A shows 4 options with the associated costs. These structures consist of powder coated steel providing full protection against corrosion and weathering during all seasons. Costs do not include shipping and Public Works staff would be capable of installation.

If an item is chosen, staff will pursue using the remaining funds to install a dog wash area near the Perry Park pavilion and possibly to use towards fencing materials to segregate large/small dogs.

Budget Impact

Discuss how to utilize the \$10,000 donation from Spring Lake Park Lions Club.
