

DATE: October 24, 2022
TO: Honorable Mayor and City Councilmembers
FROM: Dave Perrault, City Administrator
SUBJECT: Republic Recycling Contract Extension

Budgeted Amount: N/A	Estimated Amount: N/A	Funding Source: N/A
--------------------------------	---------------------------------	-------------------------------

Council Should Consider

Motions to approve, table, or deny the following:

- Authorizing the City Administrator, Mayor, and/or City Attorney to enter into a contract extension with Republic Services from May 3, 2023 to May 2, 2024.

All items need a simple majority for action unless otherwise noted.

Background

Republic Services has been the City’s recycling hauler since 2015. The existing contract (Attachment A) is very favorable for the city and is set to expire in May. The City Council discussed this contract in 2020, and directed Staff to continue to bring the extensions forward for approval; the Council inquired if the City could approve a multi-year extension, but the contract is written so we can only approve it annually. The City has the opportunity to extend the contact one (1) more time after this extension. The existing terms and conditions of the contract will continue to apply with any extension.

Budget Impact

The proposed one (1) year extension will continue to utilize the fee structure as previously approved in the currently approved contract. Under the current contract, any rate increase shall not exceed 3 percent.
