

**DATE:** November 15, 2022  
**TO:** Parks, Trails and Recreation Committee  
**FROM:** Steve Scott/Lucas Miller  
**SUBJECT:** Review status of past PTRC Goals

**Background**

This item is a carryover to finish the discussion with all the members of the PTRC since there was not a quorum at the October meeting.

PTRC presented their goals to the Mayor and Council earlier in the 2022 calendar year.

**Action Requested**

Mayor and Council would like a status update on goals that were presented to Council by the PTRC. Please review the goals and note which are ongoing, accomplished, etc. Also note if there were any major PTRC related accomplishments that may not have been a part of those goals that we highlight those, as well.
