

**DATE:** November 15, 2022  
**TO:** Parks, Trails and Recreation Committee  
**FROM:** Kristine Poelzer  
**SUBJECT:** Rain Gardens

**Background**

A verbal update will be provided at the meeting discussing potential interest of members helping with rain garden maintenance.

**Director David Swearingen:** "What we could benefit from is a group that would be willing to maintain the rain gardens and inform the City what they need to implement the maintenance. Rain garden maintenance is in our Public Works operational budget."

- A. Ask city to include in mtg packet
  - A city map of rain garden locations, and a list of street addresses for rain gardens.
- B. Open topic for discussion of interest of members in helping with rain gardens.
- C. Discussion of seeking involvement of neighbors living near rain gardens to help with maintenance.
