Council Should Consider

- Ordinance 2022-008 Amending Chapter 2 Section 210, Subsection 210.03 Subd. 5 regarding the initial Council meeting of each year.

Ordinance revisions requires a simple majority for approval.

Discussion

This change was previously requested by the City Council to ensure the City follows State Statute regarding its annual/initial meeting, but still provide flexibility on the timing of this meeting. At the annual/initial meeting the Council needs to address certain items, such as, naming the official depositories of the City and the official newspaper. With this new language, the Council will still accomplish these items at its first held meeting in January, but will have flexibility in-terms of when to actually hold that meeting.
