FROM: Kerri Seemann, PTRC Member
David Swearingen, P.E. Public Works Director / City Engineer

SUBJECT: Hazelnut Park Ecological Restoration Plan

Budgeted Amount:	Actual Amount:	Funding Source:
\$0	\$2,296 - 4,331	Park Development

Council Should Consider

Council should consider PTRC Member, Kerri Seemann’s Ecological Restoration Plan for Hazelnut Park.

Background/Discussion

This item was first brought to Council on December 19, 2022. Kerri presented background on what is involved with Ecological Restoration, and through discussion, Council directed Kerri to prepare a formal proposal and plan for discussion at the February 21, 2023 Work Session.

Kerri Seemann will be providing a presentation to discuss the proposal as seen in Attachment A. The related cost options can be reviewed in Attachments B, C and D.

Budget Impact

The proposed project involves Public Works staff time to coordinate the purchase and distribution of the plants along with supplying water to the water barrel for the first year. Kerri is proposing to implement and manage the project voluntarily for up to 3-years.

- Option 1 cost: \$4,331
- Option 2 cost: \$3,001
- Option 3 cost: \$2,296
