Re: Arden Oaks Payment Application #2  
City Project No. PW-21-0109  
TKDA Project No. 18196.000

ASTECH Corporation completed work in 2022 for the Arden Oaks Street Improvements. Payment Application #2 reconciles all costs to date for this project. A few residual restoration items remain for completion in the spring of 2023. Once these items are complete it will be appropriate to make final payment for the project.

TKDA recommends payment of payment application #2 for the Arden Oaks Street Improvements.
