**Council Should Consider**

Motions to approve, table, or deny the following:

- A formal request by the City Council to have the JDA Advisory Committee meetings open to the public

**Background**

Mayor Grant requested the Council discuss whether or not the Council should formally request of the JDA Advisory Committee to have the meetings be open to the public. The discussion is following the City Council learning the advisory committee meetings do not fall under the open meeting law requirement as they do not have a quorum of their members, and the Mayor and members of the public wishing to attend the advisory committee meetings.
