Final paving is starting in your neighborhood soon

Weather permitting, the final paving for **Areas 2 and 3** of the 2018 Street & Utility Improvement Project is scheduled to begin **Wednesday, September 11**. Work will start as early as 7:00 a.m.

Please be mindful of the workers and drive carefully. You will be able to drive on the pavement once it is compacted. Please do not park on the street during paving operations. You may park on the street after working hours. Driveway access may be temporarily interrupted when paving operations are taking place in front of your driveway. Please plan accordingly.

As a reminder, if you are anticipating a special delivery, open house, ride share service, such as Metro Mobility, pick up or drop off, or any other activity during the paving process, please notify the onsite project representative of the time and location in which this will occur.

Questions?

If you have any questions, concerns, or special access needs, please contact Joe Homan at the number provided.

We Will Do Our Best To Keep You Advised But Please Help Us By:

- Staying alert! Watch for signs, equipment, and workers.
- Observing all posted warning signs.
- Slowing down and watching for uneven surfaces.
- Reminding children to stay away from the construction site, equipment, and stockpiles of materials.
- Being Patient. Access through the site may change throughout the day as construction progresses.

We appreciate your patience as we work on the project.
