

**Public Informational Meeting - Open House
Old Snelling Avenue and County Road E Improvements**

Dear Property Owner:

The Arden Hills City Council has authorized the preparation of a feasibility study as a first step in considering proposed improvements to Old Snelling Avenue. A project location map is provided on the back of this page. The following potential improvements are being considered at this time:

- Reconstruction of Old Snelling Avenue from County Road E to Highway 51;
- Construction of a single lane roundabout at the intersection of County Road E and Old Snelling Avenue in partnership with Ramsey County;
- Construction of a pedestrian trail along Old Snelling Avenue from County Road E to Highway 51;
- Replacement of watermain, sanitary sewer, and storm sewer based on a condition assessment currently underway.

City staff will be hosting a public informational meeting to provide information on the project and to solicit your input on the proposed improvements. This meeting will be an open house format. You may attend the meeting anytime between 4:30 PM and 7:00 PM at your convenience to discuss the project with City staff.

Informational Meeting – Open House

Thursday, October 17, 2019

4:30 PM to 7:00 PM

Arden Hills City Hall Council Chambers

1245 West Highway 96

Arden Hills, MN 55112

It is important to note that this project may result in an assessment to properties with driveway access directly onto Old Snelling Avenue / Old Highway 10. An additional public informational meeting will be conducted at a future date if the City Council determines that the project should proceed to the design phase.

If you have any questions or cannot attend the open house meeting, please feel free to contact me at tblomstrom@cityofardenhills.org or 651-792-7846.

Sincerely,

Todd Blomstrom, PE
Interim Public Works Director/City Engineer
