**TREATMENT DISCOUNTS AVAILABLE
CITYWIDE! ACT NOW!**

Leaves are the tiny powerhouses of nature, and the source of many benefits trees provide to our community. Healthy leaves are the foundation of clean air, clean water, and cooling shade. Protecting trees and their leaves is crucial for our urban forests to thrive.

The City of Arden Hills has partnered with Rainbow Treecare to offer citywide discounts for treatments and prevention of many common tree health issues, including:

EMERALD ASH BORER

TWO-LINED CHESTNUT BORER

Rainbow Treecare will assess your trees to determine if treatment is the best option for protecting your oak, ash, and elm trees.

Find out if your tree qualifies today!
