Benches enhance our
community by improving our
parks and trails.
Thank you for donating a
bench.

6 foot bench - Approximate Cost \$1000

Plus costs of engraving or plaque

Optional engraving on benches. Price will vary depending upon length of engraving. City staff will contact you after receiving the application to go over the cost of engraving.

~~~

The City of Arden Hills is responsible for the purchase, installation, and maintenance of the bench. Benches are secured to concrete footings and are made from recycled materials, which provide UV protection and low maintenance. They are the color of cedar wood. The exact style of bench depends on availability.

An information sheet with current bench and engraving photos and specifications is available upon request.

City staff contacts each donor to discuss location and placement of the bench.

The Arden Hills Foundation connects the generosity of people to the evolving needs of the community.

The City of Arden Hills has over 145 acres of parks and open space for the public to enjoy. The Park Bench Donation Program is designed to increase the use and enjoyment of city parks, trails, and playgrounds.

When donating a bench you can also donate money for an engraving to be permanently placed on the bench. Engravings are a great way to remember a person or acknowledge an accomplishment or donation.

We appreciate your generous, tax-deductible gift.
